ATHLETE SUPPORT GRANT: APPLICATION FORM 2024/25

To be completed and returned to secretary@torfaendolphins.com by 31st January 2025

Due to the success of our swimmers at national level, TDPC is in a position to offer financial support to those selected to represent Swim Wales. Eligible swimmers are able to apply for a maximum of £500, and this grant will be awarded in two £250 payments in January 2025 and May 2025. This money will be awarded to support competition fees, accommodation or equipment. This award is available to swimmers selected to the Swim Wales Squad only and is funded by monies received from Swim Wales following your squad selection. **Any swimmer receiving Swim Wales Tier 1 or 2 EASG's or Aquatic GB funding is not eligible for this award.** This award will never cover the full costs of competitive swimming but we hope this small grant is a sign of how proud we are of all TD swimmers selected to represent their country.
